Grandma Bolita Brown Passes Away on Christmas Day.

Special Correspondence.

North Ogden, Weber Co., Dec. 31.—Memorial services in honor of the life and labors of the Prophet Joseph were held here on the 22nd. Elders M. N. Reynolds and A. H. Rogers presided.

A gloom was cast over our usual happy activities by the deaths of Brother George J. Lindahl, aged 22 years and 22 days, Christmas eve, and of Grandma Bolita Brown, aged 91 years, 1 month and 5 days, which occurred on Christmas morning.

Sister Brown was born May 29, 1811, in Newton, England; was baptized a member of the Church Oct. 14, 1833. She was the wife of Seaver Johnson, who with one of their children, fell a victim to the cholera at Garden Grove, when en route to Utah; but she with the remaining three children continued the journey to Utah, stopping for the time in Rivera, where untold sufferings and privations were suffered in maintaining herself and children in those early days. She subsequently married Father Levi, and after his death married John Brown, who also died here. With all the trials and ordeals of her long life her undeviating devotion to the Gospel was manifest. Her funeral was held at 11 o'clock last Sunday in the meeting house, being largely attended. Comforting remarks were made by Bishop Ward, F. W. Ellis, J. W. Rex and B. F. Blaylock.

### CAINEVILLE.

#### SORROWFUL CHRISTMAS.

##### Drowning of a Little Child and Death of a Bride of Seven Months.

Special Correspondence.

Caineville, Wayne County, Dec. 30.—Caineville had a sad Christmas, the grim reaper turned the holiday festivities into heart-rending sorrow. In several families and casting a gloom over the entire community. The first casualty was the drowning of little Louis May, the 4-year-old daughter of Oscar and Edna Thompson. While reaching for a drink the little one fell into a barrel half full of water. No one missed the little darling, and when her little brother Carl came around the house he was horrified to see her little feet sticking out of the barrel; he immediately called his father, who lifted her out, and although they say it could not have been more than a minute since she was in the house talking to the baby, life was gone. Most of the people turned out to the family's assistance, and all was done that fond parents and friends could do for two or three hours, but little spirit refused to come back. She was a bright, lovable child, born May 20, 1897, died Dec. 25, at 12 o'clock. Buried Dec. 27, 1900.

### DEATH OF A BRIDE.

On the morning of Dec. 27, 1901, at 7 a. m., Agnes Romania Carrell Golding crossed the river to the great beyond, leaving behind her a broken-hearted husband, a host of relatives and friends to mourn the death of a lovely bride of only seven months. She was one of the brightest and most faithful in all her duties in the ward; she was ward recorder, Sunday school teacher, secretary to the Y. L. M. I. A. and Stakes Aid in the Primary. She was born in 1831 at Thurber, Platte county, Utah. She was the daughter of George W. and Agnes Curfew Carrell, and wife of Simeon Golding.

Mr. Charles Gledhill of this place, mourns the death of his oldest daughter, Mary Ann, who died at Draper, after a long illness of rheumatism of the heart, December 24. The remains were brought to Centerfield on the following day, accompanied by her two sisters, Mrs. E. E. Hughes of Draper, and Mrs. E. E. Hughes of Draper, and Mrs. C. P. Ostler of Thistle. Deceased was born at Mant, Sanpete county, August 7, 1860, but lived most of her life in Gunnison, where she died at her home in 1899. She was married to Jack Davis in 1899. Some weeks ago we had a heavy snow fall, but the day before Christmas we had a warm wind from the south that took all "the beautiful" with it, but on Christmas eve we had another snowfall that brought us about two inches of snow.

### LIGHT CROPS.

The crops were not very good this fall. We did not have any rain during the summer and as all the farms around here are dry farms we did not raise very much grain.

Mrs. Sarah Tillman presented her husband with a fine boy two weeks since.

Special Correspondence.

Parker, Fremont Co., Idaho, Dec. 31.—About two weeks prior to Dec. 23 we had beautiful sleighing, then we had a chinook that almost melted the ground of snow, leaving it entirely bare or with a coat of very slippery ice, as severe cold weather followed.

There were no doings here on Christmas, except a ball in the evening. A number of theatrical troupes have visited us lately, most of them of a very indifferent character. The new school house is to be opened up by a grand ball on New Year's night for the benefit of the Sunday school.

Our active worker, E. J. Carbine, has bought a fruit farm in the state of Oregon and expects to leave us and make his home there in the near future.

Panaca, Lincoln Co., Nevada, Dec. 27.—Our Christmastide has come and gone, with the most remarkably fine weather it has been for some time. The writer to ever see at this season of the year. Warm and balmly days, except an occasional northerner swooping down over the rim of the Basin, been the weather for some time past.

The 25th passed, however, with dry ground and warm spring atmosphere. The holiday revels were in full progress. Many of the "boys" have come home from their work in various neighborhoods, and are helping to make Christmas in their own way.

John and Ernest Wadsworth, who have been attending school at the B. Y. academy, Provo, are home for the holidays.

Our old friend and fellow teacher, Mrs. Jack Spencer (nee Findlay), is spending Christmas at her old home.

Our wide-awake merchants, Rice Bros., N. J. Wadsworth, and C. P. Ronnow of the Panaca Co., have been very busy in the city since the 1st of the year, for the purpose of advertising stock on the market.

Geo. W. Wadsworth and wife recently lost a child of two years. The blow was all the more distressing, as John was away from home. They have the sympathy of the entire community.

#### BIG HORN DEVELOPMENT CO.

##### The First Concern to Complete Contract with State Under Carey Act.

Special Correspondence.

Cheyenne, Wyo., Dec. 31.—B. L. Wiley, president of the Big Horn Basin Development company, appeared before the state land board a few days ago and announced that he had completed his contract with the state regarding the construction of his ditch and the sale of land to settlers. This announcement means that his company is the first irrigation concern to complete its contract with the state under the Carey act.

Mr. Wiley was formerly a business man of Omaha and Chicago, but organized a company to colonize a section in the Big Horn basin, in northern Wyoming. The company commenced operations five years ago, when 12,000 acres of land were segregated under the Carey act and a ditch thirty miles long was constructed.

Today there are some 600 persons living along the canal. One town—Germania—has been established, and the farmers are prosperous and happy. The population is made up chiefly of Germans, brought to Wyoming from Iowa and Illinois. The big ditch is taken from the Grey Bull river and reclaims over 12,000 acres of salt land on the north side of that stream. Originally 20,000 acres were to be reclaimed, but 8,000 acres were thrown aside as not easily susceptible to reclamation.

Many of the blotches, pimples and other affections of the skin are caused by the failure of the liver and kidneys to cast off impurities, which remain in the blood. HEIRBINE will stimulate the liver and kidneys, and cleanse the system of all impurities. Price, 50 cents. Z. C. M. I.
